28-32-8	10000	9000	7000	85	
32-32-8	12000	9000	7000	80	
32-36-8	15000	10000	8000	77	
32-40-8	15000	11000	-	70	can be split for larger bottle

Our Benefits:

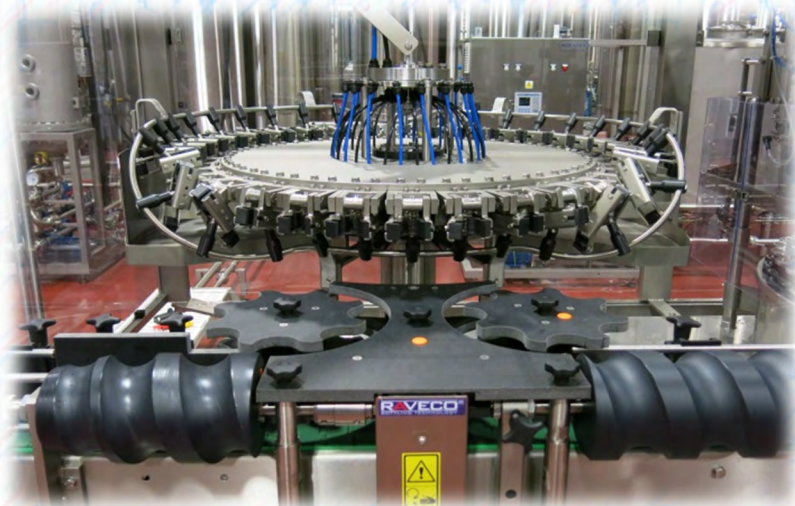

- ✓ all machines can be made as MONOBLOC (Filler + Crowner)
- ✓ simple, reliable and field tested solution
- ✓ compact dimensions
- ✓ variable manufacture to customer's specification
- ✓ complete solution of bottling lines (TRIBLOC, conveyors, labeler,...)

TRIBLOC series for Craft Breweries

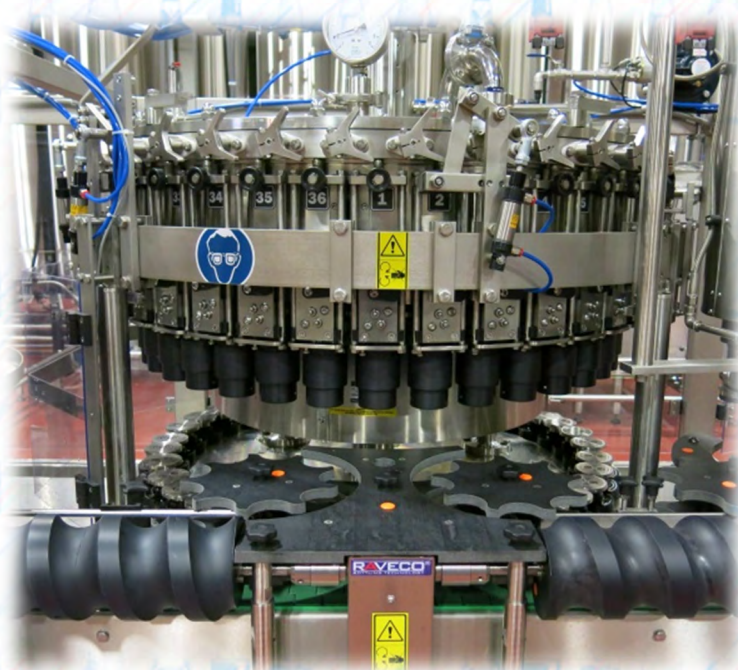

Rinser

- ✓ 2-stage rinsing (desinfection + filtrated water)
- ✓ safety ball clutch with microswitch

Filler

- ✓ counterpressure filler
- ✓ proportional valve for CO₂ regulation
- ✓ filler bowl level electronic regulation
- ✓ CIP cups
- ✓ central safety ball clutch with microswitch
- ✓ single / double pre-evacuation

Crowner

Rotary crowner

Single head crowner

- ✓ crown corks 26 mm
- ✓ automatic checking device of missing crowns on the bottle
- ✓ fully automatic distributor of crowns

CRAFT BREWERIES EDITION

Bulk Hopper for Crowns

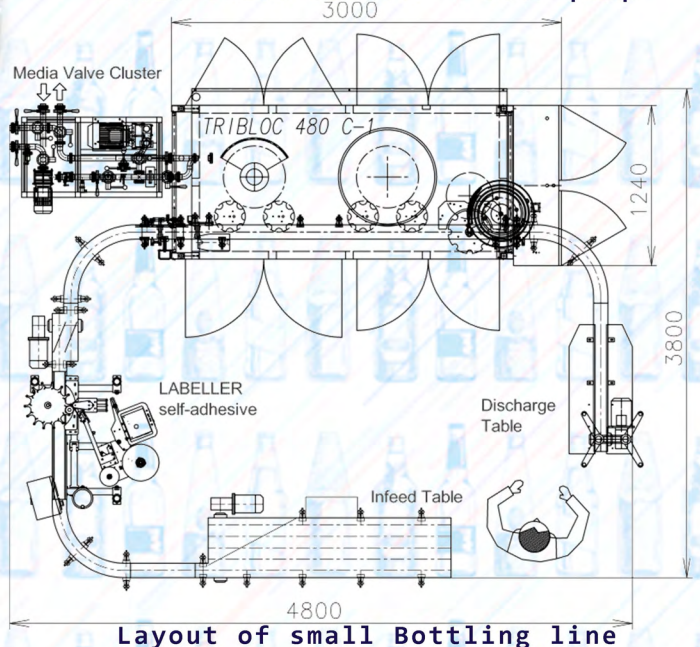

Top Guarding + HEPA Filtration unit

Media Valve Cluster + Beer pump

Beer Jetting system

Layout of small Bottling line
